

Indicate below your course choices. Refer to your program's academics page at [UMabroad.umn.edu](http://UMabroad.umn.edu) for course descriptions and instructions on course selection and credit load. Make a copy of this form for your records and to use during the academic planning process.

Individual courses are not guaranteed. Course may be offered only if there is sufficient enrollment, and some courses may have enrollment caps. Include your preferred courses in the top section. In the Alternative Courses section, list the courses you would enroll in if your first choices are unavailable.

If your course selections change, notify your Learning Abroad Center program team to request an update to your enrollment.
